

GIVE ALL PETS THE CHANCE OF HEALTH AND HAPPINESS

Your guide to including a
Gift in Will to Lort Smith

Our purpose is to make sure all pets enjoy a healthy and happy life with people who love them. Our dedicated team provides **much-needed veterinary care** and finds **loving new loves** for surrendered pets.

Our community programs help people who find themselves going through a time of crisis, such as an extended hospital stay or a period of homelessness, to care for, and to keep their beloved pets.

We provide a **temporary safe haven for pets** so that people can escape domestic violence. And our volunteer Pet Therapy teams **bring comfort, joy and relief** when people are experiencing adversity or loneliness.

Gifts in Wills from very special people like you are vital to funding our pet rehoming services, as well as our work in the community.

When people fall on hard times, this is when they need their pet most, it's also when they are most at risk of losing them. **Your most kind and thoughtful gift will make sure the bond people share with their pets remains unbroken and they can stay together.**

As someone who clearly cares for animals, you will understand that such a gift is **priceless**.

Your Will gives you peace of mind that those you care for will be looked after once you have gone and we thank you for choosing to include a Gift in your Will to Lort Smith.

We promise that your privacy will always be respected and that your gift will be used to care for vulnerable animals, with a central purpose to keep pets and their people together.

Your solicitor or trustee company can advise further, but here is some suggested wording you may wish to consider using:

“I give to Lort Smith (ABN 87 004 238 475) of 24 Villiers Street, North Melbourne a (insert your choice of a figure) percent share of my residuary estate for its general purposes.”

We also recommend letting loved ones know about your wishes to leave a gift in your Will to Lort Smith.
